"Growing in Christ" Monthly Sunday School… on Saturday!

"In the beginning . . ." Our monthly Sunday School (on Saturdays!) begins its use of a new curriculum for Sunday Schools, *Growing in Christ*. It is fitting that we begin our study with God's account of the beginning of all things, His creation of the universe and all that is in it (Genesis 1–2:2). Each time we will grow in Christ together through age appropriate exploration of God's Words in the Bible by hearing, playing, building, singing, and praying, as well as provide useful helps for moms and dads in the many challenges and blessings of parenthood.

Parents, throughout the week point out to your children some of the wonderful things in our world that God made and continues to provide for us, and praise Him for these creations in your family time as you *Grow in Christ*. Also did you know that Good Shepherd has a small lending library of Christ-centered books, CDs and videos for all ages where you can find helps for all the members of your family to grow in knowledge, faith, and love of our Saviour and Lord? *(Available to members and friends of Good Shepherd Lutheran Church only, just so we know where they went. But we make friends easily! ☺)*
