Please pray for, invite children to, and consider helping out at our 2009 Vacation Bible School entitled "River of Life", this August 4-7 (a Tuesday to a Friday), 9am-Noon. We will be exploring the water themes — and the Jesus-themes! — in some of the best known Bible stories. Pr Larry Gajdos, of Prince of Peace Lutheran Church, Burlington Ont, and his family have offered to help us this year, but we still need: cooks to prepare special theme-related daily snacks, one or two people each day to do registration, helpers for teaching, crafts, music, snacks, and/or games. As previously expressed, people from other churches can only help us so much, we are the Lord's Church in this place. We also need one or more people to help with advertizing our VBS starting right now, so that many can benefit from our labours in the name of the Lord!
