During this closing month of the Church Year our thoughts are brought to final, essential things. We conclude our review of the Small Catechism with the (or Lord's Supper), the food for our pilgrimage and the foretaste of the feast to come. We prepare by faith and faithfulness for what is still to come in 2009 and in eternity through planning and encouraging faithful stewardship. And as we look ahead, we always go back to our source of spiritual strength as we prepare for Christmas through Advent practices like more frequent reading of God's Word at home, deepening our study of the Word together and individually, growing in our awareness of our spiritual need, and sharing the Word with little ones and others who have not heard the Good News of Jesus Christ, the Saviour for Sinners. Please look for opportunities and resources to join us in all of these!
